

INTERPROFESSIONAL TEAMS (IPT)

VANCOUVER PCN RESOURCES

Vancouver Division of Family Practice and Vancouver Coastal Health (VCH) have partnered to implement IPTs as part of the Primary Care Network (PCN) in your region. IPTs are comprised of VCH health care professionals that work with primary care providers to support a patient's medical, wellness and social needs.

ALLIED HEALTH CARE PROFESSIONALS ON THE IPT:

- **CLINICAL COUNSELLORS**
- **SOCIAL WORKERS**
- **REGISTERED DIETITIANS**
- **OCCUPATIONAL THERAPISTS**
- **CLINICAL PHARMACISTS**

I found my personal wellbeing and professional satisfaction has improved since the start of the IPT Program. Since I can better support my patients, I now have improved professional satisfaction and do not feel the burden of helplessness or frustration trying to navigate the healthcare system. - Primary Care Provider
