

Interprofessional Team Engagement Series

Summary Report – February 2023 to June 2024

VANCOUVER PRIMARY CARE NETWORKS

This monthly online engagement series started in February of 2023 to support teams working together in PCNs. The goals of the series are to learn, connect and share questions and experiences to help IPT Clinicians and Primary Care Providers to optimize how they work together to support their patients.

SESSION EVALUATION DATA

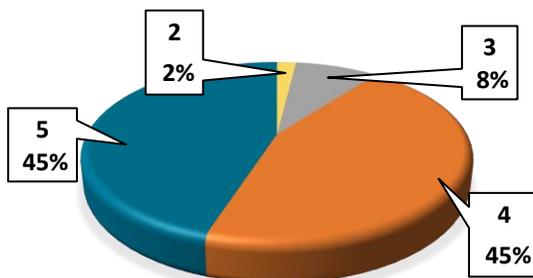

*Data has been aggregated across all 12 sessions

1=LOW, 5=HIGH

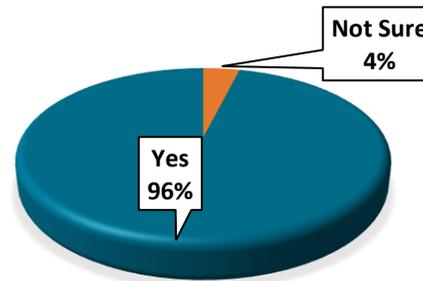

ON A SCALE OF 1-5 HOW VALUABLE DID YOU FIND TODAY'S SESSION?

ON A SCALE OF 1-5, WILL YOU BE ABLE TO APPLY THE KNOWLEDGE YOU GAINED FROM THIS SESSION TO YOUR WORK GOING FORWARD?

WOULD YOU RECOMMEND THESE SESSIONS TO A COLLEAGUE?

"The IPT services are much appreciated by my patients. I have seen positive changes in most of my patients whom I referred to IPT. Thank you very much for your excellent work."

"It was helpful to meet and hear from the IPT members. I found it very practical and informative to discuss one common issue in each session. I can see how we can work with the team to drive better outcomes for our patients."
