

# ARE YOU A COMMUNITY FAMILY PHYSICIAN WORKING IN METRO VANCOUVER?

## Help us design a BC Children's Hospital Emergency Department to Community (ED2C) Program

### What is an ED2C Program?

- ED2C programs offer those who present to the pediatric emergency department with non-urgent concerns the option to accept a community healthcare appointment in lieu of waiting to receive care

### What is involved?

- A 30-45minute Zoom interview

### Who is eligible to participate?

- Community family physicians working in Metro Vancouver
