

Consider template MOA cheat sheet for patient bookings:

- What appointments are to be booked with an RN vs FP/NP
- When to involve an RN for triage/same day appts

Consider the time required by the RN for Specific Task:

- Phone call (10 minutes)
- Immunizations/Vaccinations (15 minutes)
- Well Baby Checks (15-30 minutes)
- Education/CDM (30-45 minutes)
- Language Barriers/ PLS (+15 minutes)
- Documentation (+10-15 minutes per patient appointment)

* To be determined by Provider and RN

Consider what RN tasks require FP/NP Order: *Please see Nursing Scope of Practice and template MOA cheat sheet

Examples:

- Ear Flushes (Elephant Wash System)
- MOCA or Cognitive Exam
- Suture/Staple Removal
- Immunotherapy
- IM Injections (Testosterone, B12, Antipsychotic and Antibiotic Medications)
- Holter Monitor/12-lead ECG Application ONLY

Provider Led RN Support

RN works alongside 1-2 Providers

```
graph LR; A[MOA books patient appointment with Provider (FP/NP)] --> B[Provider Assessment/ Pre-Appointment Review]; B --> C[If RN Support Required/Applicable:]; C --> D[Pre-visit RN Involvement]; C --> E[RN Follow-up post Provider Assessment]; C --> F[Ongoing RN Follow-up]; D --> G["• Vitals/Patient Ht and Wt
