REPRODUCTIVE and GENDER AFFIRMING CARE

WE NEED SAFE, EQUITABLE ABORTION ACCESS

IMPACTS OF ACCESS, COLONIZATION + CONSENT

ENSURING WE TRAIN MORE PEOPLE TO PROVIDE SERVICES like IUDs -

if you can't REMOVE it, in a REMOTE AREA - IT'S FORCED STERILIZATION

I'm an Abortion Provider

make it normal to talk about ABORTIONS

1 in 3 women will have ONE IT'S JUST HEALTHCARE.

EXPAND OUR NETWORKS

WHAT MIGHT THE DIVISION EXPLORE TO EXPAND ACCESS TO WOMEN'S HEALTHCARE?

Provider education & events + Prioritize women's health + Consolidate resources - eg request Pathways to add services; add to Ocean facilitate more connections!

CHANGES

ACCESS Greater access to prescription/medical abortions
