**What did you like about the event?**

*"Opportunity to learn about community resources."*

*"I like small groups and working through cases. It was great to have a lot of tools and resources laid out as I learned about what's available within the community. "*

*"I learned SO much about community resources."*

*"Breakout groups that facilitated discussion."*

*"All the information about different resources accessible and the walk through with applicable cases."*

**What could have improved the event?**

*"Group sessions too long. Would have appreciated an expert in this field to have given their opinion on each case. "*

*"Amount of time for case 2 could be shorter."*

*"Second case should have been first since it was shorter. "*
